“Annexure-IV”**MANAGEMENT DISCUSSION AND ANALYSIS****1. Industry structure and developments**

Indian economy is going through a period of rapid 'financial liberalisation'. Today, the 'intermediation' is being conducted by a wide range of financial institutions through a plethora of customer friendly financial products.

Over the years, our company has built a strong presence in the market through its cumulative experience, strong distribution network as well as sound systems and processes.

2. Opportunities and threats

Being a trading company, our company is exposed to specific risks that are particular to its business and the environment within which it operates including interest rate volatility, economic cycle, and market risk.

3. Segment-wise or product-wise performance

During the year under review, since company is being working in a single segment therefore the specific performance does not stand eligible.

4. Outlook

The presence of a stable government at the centre will be a major catalyst in taking major decisions which would push forward the pace of reforms and thereby directly improving the macro-economic environment. It is now being forecasted that in the near future, the Indian economy will become the fastest growing emerging market.

The Government is looking at easing investment conditions in India and focusing on project clearances. Also, 2019 is expected to see a rush of foreign direct investments (FDI) coming into India supported by FII inflows, thanks to liberalising the defence, insurance and construction sectors. It is expected that Government's major structural/economic liberalization policies will be reflected in 2019 Union Finance Budget and the same is expected to further boost the industry sentiments.

Looking at the Indian economy the company has plans to diversify its business in future.

5. Risks and areas of concern

Our strength is our determination and team work, weakness is the low equity base, opportunities are multiples and threats are the vibrations in the economy and government policies.

In any business, risks and prospects are inseparable. As a responsible management, the Company's principal endeavor is to maximize returns. The Company continues to take all steps necessary to minimize its expenses through detailed studies and interaction with experts.

6. Internal control systems and their adequacy

The Company has carried out the internal audit in-house and has ensure that recording and reporting are adequate and proper, the internal controls exist in the system and that sufficient measures are taken to update the internal control system. The system also ensures that all transaction are appropriately authorised, recorded and reported. Exercises for safeguarding assets and protection against unauthorised use are undertaken from time to time. The Company's audit Committee reviewed the internal control system. All efforts are being made to make the internal control systems more effective. All these measures are continuously reviewed by the management and as and when necessary improvements are affected.

7. Discussion on financial performance with respect to operational performance

The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013 and Generally Accepted Accounting Principles in India. Further, the financial performance during the year under reference has been impressive in terms of sales. Even though there has been a decent increase in the turnover, the volume of profits has also increased as compared to last year.

8. Material developments in human resources/industrial relations front, including number of people employed.

INDEPENDENT AUDITOR'S REPORT

To the Members of GARV INDUSTRIES LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Garv Industries Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss, the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "standalone Ind AS financial statements").

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with rule 7 of Companies (Accounts) Rules, 2014.

This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncement issued by the ICAI. Those Standards & Pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements:

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2019 and its profit and its cash flows for the year ended on that date.

Annexure – B to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **GARV INDUSTRIES LIMITED** ('the Company') as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our

audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial control over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES

1. Accounting Conventions

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards ('Ind AS') notified under section 133 of the Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 issued by the Ministry of Corporate Affairs. The Company has consistently applied the accounting policies used in the preparation for all periods presented in these financial statements.

2. Use of estimates

The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relation to the contingent liabilities as at the date of the financial statements and reported amounts of income and expense during the year. Examples of such estimates include provisions for doubtful receivables, employee benefits and provision for income taxes. Future results could differ due to changes in the estimates and the difference between the actual results and the estimates are recognized in the period in which the results are known/materialize.

3. Revenue Recognition

Revenue from sale of goods is accounted for on the basis of billing to customers. Profit/loss on sale of Assets is recognized on the date of its sale and is computed as excess of sale proceeds over its carry amount as at the date of sale.

4. Fixed Assets

Fixed Assets are stated at cost of acquisition/construction as reduced by accumulated depreciation. Apart from taxes all costs including financial costs up to the date of commissioning and attributable to the fixed assets, freight and other incidental expenses related to the acquisition and installation of the respective fixed assets are capitalized.

5. Closing Inventories

Closing inventories are valued at cost. Method of inventories applied while preparing the financial statement of the company is first-in first-out.

6. Preliminary expenses

Expenditure incurred prior to incorporation of the company is treated as preliminary expenses. One fifth of the expenses is treated as revenue expenses and therefore is being booked as revenue expenses in every year.

7. Borrowing costs

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalization of such asset, are capitalized as a part of the cost of such assets. Any income earned on the temporary deployment/ investment of

those borrowings is deducted from the borrowing costs so incurred. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss.

8. Employee benefits

The Company's employee benefits are the salary cost of the employees.

9. Depreciation

The company follows the written down value (WDV) method for calculation of depreciation. The depreciation has been calculated based on the new estimated life of the assets as per Companies Act 2013. The Depreciable Value of those assets, whose life has expired (when compared to the new estimated life), has been adjusted against the General Reserve of the Company.

10. Investments

Investments which are readily realisable and intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. On initial recognition, all investments are recognised at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

9. Taxes on Income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefits associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there is unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their reliability.

10. Contingencies

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is probable that an outflow of resources will not be required to settle the obligation. However, if the possibility of outflow of resources, arising out of present obligation, is remote, it is not even disclosed as contingent

liability. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the notes to financial statements. Contingent assets are neither recognized nor disclosed in the financial statements. Loss contingencies arising from claims, litigation, assessments, fines, penalties, etc., are provided for when it is probable that a liability may be incurred and the amount can be reliably estimated.

11. Earnings per share(EPS)

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

12. Foreign Currency Transactions:

Transactions denominated in foreign currencies are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Foreign currency monetary items (assets and liabilities) are restated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in foreign currency, are reported using the exchange rate at the date of the transaction. Gains and losses, if any, at the year-end in respect of monetary assets and monetary liabilities are recognised in the Statement of Profit and Loss.
